II. PAYMENT OF CHARGES. Cost estimates will be provided to the requestor. The requestor must agree to pay the estimated amount prior to staff response to the request. The requested document(s) shall not be released without the requestor's payment of the applicable fee.

III. WAIVER.

A. Level 1 and 2 Requests (as defined in Administrative Order No. 21-04-01).

(1) Request in Writing. All requests for a fee waiver must be submitted in writing and state the reason or basis for the request. The City Recorder will review all fee waiver requests except Police Records waiver requests, which will be reviewed and responded to by the Shift Records Supervisor on duty when the request is received, and requests to Municipal Court, subject to criteria in Section (b)(2) below.

(2) Criteria for Waiver.

(a) Fees for police records may be waived based on the ability to pay and the need for the record for court purposes.

(b) Fees for Municipal Court records may be waived for parties to the proceeding based on the ability to pay and the need for the record for court purposes.

(c) Fees may be waived when documents or information is exchanged with other governmental agencies for purposes related to governmental policy or procedures. The fee will not be waived if the governmental agency is seeking the information for other purposes.

(d) The media will not be charged for documents the City provides for public relations purposes or offers for “public distribution,” but will be charged when the information is formally requested by the media. If a media waiver request is based on a public benefit to be derived, a 25% reduction may be made in copy charges.

(3) Appeal of Fee Waiver Denial. Any person whose request for a fee waiver is denied may appeal the denial to the Lane County District Attorney as provided in ORS 192.440(5).

B. Level 3 Requests. No fees are charged for Level 3 requests, or for providing Level 3 documents in an alternate format, and they are not subject to this section.

IV. RESEARCH.

As used in this order, “research” includes the staff time required to locate, summarize, compile, or tailor a record and any staff standby time incurred while a requestor is inspecting the record(s).
